**PLEA AGREEMENT**

Pursuant to Rule 11 of the Federal Rules of Criminal Procedure, come now the United States of America, by Assistant United States Attorney Toi Denise Houston, the defendant, Patricia Johns, and Paul G. Stracci, as attorney for the defendant, and show the Court they have entered into a plea agreement as follows:

1. I, Patricia Johns, have the ability to read, write and speak the English language.
2. I have received a copy of the Indictment and have read and discussed it with my lawyer, and believe and feel that I understand every accusation made against me in this case.
3. I have told my lawyer the facts and surrounding circumstances as known to me concerning the matters mentioned in the Indictment and believe and feel that my lawyer is fully informed as to all such matters. My lawyer has counseled and advised with me as to the nature and elements of every accusation against me and as to any possible defenses I might have.
4. I understand that I am entitled to have all of my rights which may be involved in this matter explained to me, and that I have the right to have any questions I may have answered for me.
5. I understand by pleading guilty I waive certain rights. The rights described below have been explained to me, as well as the consequences of my waiver of these rights:

- a. If I persisted in a plea of not guilty to the charges against me, I would have the right to a public and speedy trial. The trial could be either a jury trial or a trial by the judge sitting without a jury. I have the right to a jury trial. However, I may waive a jury trial in writing with the approval of the Court and the consent of the government.
- b. If the trial is a jury trial, the jury would be composed of twelve people selected at random. My attorney and I would have a say in who the jurors would be by removing prospective jurors for cause where actual bias or other disqualification is shown, or without cause by exercising so-called peremptory challenges. The jury would have to agree unanimously before it could return a verdict of either guilty or not guilty. The jury would be instructed that a defendant is presumed innocent, and that it could not convict unless, after hearing all the evidence, it was persuaded of my guilt beyond a reasonable doubt, and that it was to consider each count of the Indictment separately.
- c. If the trial is held by the judge without a jury, the judge would find the facts and determine, after hearing all the evidence, and considering each count separately, whether or not the judge was persuaded of my guilt beyond a reasonable doubt.
- d. At a trial whether by a jury or a judge, the prosecution would be required to present its witnesses and other evidence against me. I would be able to confront those government witnesses and my attorney would be able to cross-examine them. In turn, I could present witnesses and other evidence on my own behalf. If the witnesses for me would not appear voluntarily, I could require their attendance through the subpoena power of the Court.
- e. At a trial, I would have a privilege against self-incrimination so that I could decline to testify, and no inference of guilt could be drawn from my refusal to testify. If I desired to do so, I could testify in my own behalf.
- f. At trial and at every stage of the proceedings, I have a right to an attorney, and if I could not afford an attorney one would be appointed for me.
- g. In the event that I should be found guilty of the charge(s) against me, I would have the right to appeal my conviction on such charge(s) to a higher court.

6. I understand that under the U.S. Sentencing Guidelines, the Court, in light of an investigation by the United States Probation Office, will determine the applicable sentencing guideline range, and that the Court will determine all matters, whether factual or legal, relevant to the application of the U.S. Sentencing Guidelines. I understand that the U.S. Sentencing Guidelines are advisory only, and that the specific sentence to be imposed upon me will be

determined by the judge after consideration of a pre-sentence investigation report, input from counsel for me and the government, federal sentencing statutes, and the U.S. Sentencing Guidelines.

7. Notwithstanding the above, I have, with the assistance of counsel, entered into an agreement with the United States Attorney's Office as follows:

a. I will plead GUILTY to the Indictment which charges me in Count 1 with theft of government property in violation of Title 18, United States Code, Section 641 and in Counts 2 through 4 with filing false tax returns in violation of Title 26, United States Code, Section 7206(1), because I am, in fact, GUILTY of these offenses as charged in the Indictment;

b. I understand the maximum possible penalties that may be imposed upon me are as follows:

<u>Count</u>	<u>Prison</u>	<u>Fine</u>	<u>Supervised Release</u>
1	10 years	\$250,000	3 years
2	3 years	\$250,000	1 year
3	3 years	\$250,000	1 year
4	3 years	\$250,000	1 year

c. I further understand that a special assessment of \$100, as to each count, will be imposed, in addition to any other penalty and the special assessment is due and payable prior to my sentencing hearing. The total special assessment is \$400.00.

I further understand that under a term of supervised release, I would have to live my life under certain conditions set by the Court and should I violate any of those conditions, the Court could revoke the supervised release and sentence me to serve an additional term of imprisonment.

d. The United States Attorney and I have also entered into the following agreements which are not binding upon the Court, and **I understand that if the Court does not follow these agreements I will not be allowed to withdraw my guilty plea:**

i. At the time of sentencing, the United States Attorney shall recommend that the Court impose a sentence upon me equal to the low end of the applicable advisory U.S. Sentencing Guidelines range for the offense.

ii. The United States Attorney and I agree that in recognition of my

acceptance of responsibility for my offense conduct, I am entitled to the a two-level reduction in offense level; the United States Attorney and I further agree that I have assisted authorities in the investigation or prosecution of my own misconduct by timely notifying the United States Attorney's Office of my intention to plead guilty, thereby permitting the government to avoid preparing for trial and permitting the government and the Court to allocate their resources efficiently, and we agree that if my offense level is 16 or greater, the government will move at sentencing for me to receive an additional one-level reduction in offense level; however, the government's obligation to recommend acceptance of responsibility under this plea agreement is contingent upon my continuing manifestation of acceptance of responsibility; should I deny my involvement, give conflicting statements of my involvement, or engage in additional criminal conduct including any personal use of controlled substances, the government shall not be bound to recommend any reduction in offense level for acceptance of responsibility; I further understand the Court is not bound by this recommendation and that the Court makes the final decision regarding my receipt of a reduction in offense level for acceptance of responsibility.

- iii. The United States Attorney and I agree that the base offense level is 6 pursuant to U.S.S.G. § 2B1.1(a)(2) for Count 1 and the base offense level is 14 pursuant to U.S.S.G. § 2T1.1(a)(1) for Counts 2, 3, and 4.
- iv. The United States Attorney and I agree that the loss amount attributable to me is \$26,516.00 for Count 1 and \$60,128.00 for Counts 2, 3, and 4, collectively.
- e. As part of this agreement, I agree to make restitution to the victims of my offenses in an amount to be determined by the sentencing court.
- f. I expressly authorize the U.S. Attorney's Office to immediately obtain a credit report in order to evaluate my ability to satisfy any financial obligation imposed by the Court. I agree to submit within 30 days of the filing of this plea agreement a completed financial statement to the U.S. Attorney's Office in a form it provides and as it directs. I promise that the financial statement and disclosures will be complete, accurate and truthful, and I understand that any willful falsehood on the financial statement will be a separate crime and may be punished under 18 U.S.C. § 1001 by an additional five years' incarceration and fine.
- g. I agree to the entry of money judgment forfeiture in an amount to be determined by the Court. I acknowledge that the amount of the money judgment

represents the amount of proceeds I derived from the commission of the offense set forth in Count 1 to which I am pleading guilty. I further consent to the entry of orders of forfeiture pursuant to Federal Rules of Criminal Procedure 32.2.

- h. I understand that the law gives a convicted person the right to appeal the conviction and the sentence imposed. I also understand that no one can predict the precise sentence that will be imposed, and that the Court has jurisdiction and authority to impose any sentence within the statutory maximum set for my offense(s) as set forth in this plea agreement. With this understanding and in consideration of the government's entry into this plea agreement, I expressly waive my right to appeal or to contest my conviction and all components of my sentence or the manner in which my conviction or my sentence was determined or imposed, to any Court on any ground other than a claim of ineffective assistance of counsel, including any appeal under Title 18, United States Code, Section 3742 or any post-conviction proceeding, including but not limited to, a proceeding under Title 28, United States Code, Section 2255. I also agree to waive all rights, whether asserted directly or through a representative, to, after sentencing, request or receive from the United States any further records, reports, or documents pertaining to the investigation or prosecution of this matter; this waiver includes, but is not limited to, rights conferred by the Freedom of Information Act and the Privacy Act of 1974.

8. I am prepared to state to the Court the facts in this matter that cause me to believe that I am guilty of the Indictment to which I have agreed to plead guilty which are as follows:

In 2001, I began receiving Supplemental Security Income (SSI) benefit checks drawn on the United States Treasury which was money of the Social Security Administration (SSA), an agency of the United States. Between January 2008 and April 2011, I never reported earned income or reported that I was married to either the SSA or the Internal Revenue Service (IRS). During this time, I operated a psychic business where I advised individuals that I would provide them spiritual guidance for money. I deposited the money from my psychic business into my bank accounts and received payments through my PayPal account. I admit that I earned income which I did not report either to the SSA or to the IRS when filing my federal income tax returns. I also failed to disclose to SSA that I was married because I knew that it would have affected my right to SSI benefits. During this time, I admit that I knowingly and willfully stole and converted to my own use \$26,516 of SSI benefit checks to which I was not entitled based upon my additional income and my failure to report my marriage to SSA.

On March 22, 2009, I made and subscribed a 2008 U.S. Individual Income Tax Return, IRS Form 1040, which was verified by a written declaration that it was made under the penalties of perjury. I knowingly and willfully filed the 2008 tax return when I knew that it not true and correct as to every material matter.

Specifically, on my Form 1040, I claimed that my Schedule C income was \$27,169.00 when in fact it was more. As such, I have an additional tax due and owing on my 2008 tax return of \$16,196.00 dollars. On April 15, 2010, I made and subscribed a 2009 U.S. Individual Income Tax Return, IRS Form 1040, which was verified by a written declaration that it was made under the penalties of perjury. I knowingly and willfully filed the 2009 tax return when I knew that it not true and correct as to every material matter. Specifically, on my Form 1040, I claimed that my Schedule C income was \$21,017.00 when in fact it was more. As such, I have an additional tax due and owing on my 2009 tax return of \$32,637.00 dollars. On October 12, 2011, I made and subscribed a 2010 U.S. Individual Income Tax Return, IRS Form 1040, which was verified by a written declaration that it was made under the penalties of perjury. I knowingly and willfully filed the 2010 tax return when I knew that it not true and correct as to every material matter. Specifically, on my Form 1040, I claimed that my Schedule C income was \$23,870.00 when in fact it was more. As such, I have an additional tax due and owing on my 2010 tax return of \$11,295.00 dollars. I acknowledge that the total tax due and owing for all tax years is \$60,128.00 dollars.

In summary, between January 2008 and April 2011, I received Supplemental Security Income (SSI) benefits to which I was not entitled based upon my additional unreported earned income from my psychic business and my marriage. Additionally, I admit that I failed to report the earned income from my psychic business which resulted in a tax due and owing for tax years 2008, 2009, and 2010. I acknowledge and admit that all of these events, with respect to all charges in the Indictment, occurred in the Northern District of Indiana and elsewhere.

9. I understand that the government has reserved the right to tell the Court the good things about me and the bad things about me, and to fully inform the Court of the nature and extent of my offense(s) as well as the full extent of my criminal history.

10. I understand that if I violate any of the provisions of this plea agreement, including my continuing obligation to demonstrate acceptance of responsibility, the United States may either (A) ask the Court to make a determination that I have breached this agreement in which event I will, at sentencing, lose the benefit of **all** the non-binding promises made by the government in this agreement and I would have no right to withdraw my guilty plea, or (B) the United States could seek to have the Court declare this entire plea agreement null and void, in which event I can then be prosecuted for all criminal offenses that I may have committed.

11. I believe and feel that my lawyer has done all that anyone could do to counsel and assist me, and that I now understand the proceedings in this case against me.

12. I declare that I offer my plea of guilty freely and voluntarily and of my own accord, and no promises have been made to me other than those contained in this agreement, nor have I been threatened in any way by anyone to cause me to plead guilty in accordance with this agreement.

13. I understand and acknowledge that this agreement, once filed with the court, is a public document and available for public viewing.
